MILES Carrier Holds Mail the World's Record

WALKED

Walked 124,100 Miles Took 25 Years Got Paid Four Cents a Mile

As a result of the establishment of free rural delivery in Washington county, Tennessee, William Archer has lost his job after carrying the mall over the star route for 25 years and walking the entire time.

Archer is now 45. When he was 20 he got the job of carrying the mail from Johnson City to Stony Point, a distance of eight miles. He did the work for 10 years and missed only one day, and that on account of severe Illness.

He then got the route from Stony Point to Watauga Bend, a distance of 10 miles, and here he carried the mail for 10 years, walking continually. He made the round trip of 20 miles daily.

Five years ago he was transferred back to his old route between Johnson City and Stony Point, and walked 16 miles a day. He continued to carry the mail on this route until the post office was wiped out with all the others in the country, and now he is without a job.

Archer in his idleness has been figuring up what he has done for the government, and he finds by calculation that he has walked 124,100 miles during his service of 25 years, or lacking about 900 miles of having walked around the world five times. He thinks he has the world's record for walking.

While he holds this record, he has never received much pay. He has never been able to buy a horse, as he got only \$20 a month. During the quarter of a century that he has been in the government employ not once has any charge been brought against him.

The Indian School Band.

Albany Democrat: The Chemawa Indian band gave a fine entertainment at the opera house last evening to a very pleased andience. The band has been splendidly trained by Prof. Stoudenmeyer, and presents high-class selections, that would be creditable to the best bands in the country. Besides several classical and popular selections by the band Oscar L. Norton sang three selections. 'Only a Soldler Boy," "Take Me Back to Old Kentucy" and "Nearer My God to Thee," and received an ovation. He has a fine tenor voice, which he handles well. Manuel Robles, the Filipino boy of the Oregon regiment, sang a Filipino song, and Cenon Fencaliro, another Filipino boy, gave a recitation in English, which called for an encore, Superintendent Potter gave a short talk about the splendid work being done at the school.

The trip is being made merely to show the public what is being done at the school. The band is a gentlemanly company of young men, and deserves crowded houses.

Suffered 8 Months

I can heartily recommend Acker's Tablets for dyspepsia and stomach troubles. I have been suffering for sight months, and tried many remedies without any relief, until I got Acker's Dyspepsia Tablets, which I used only a short time, and am now perfectly well. Thanking you for the speedy recovery, 1 am gratefully yours, Francis I. Gannor, Vancouver,
